From the Principal….

CAMP
Next Monday some of our 4/5/6 students will head off to the Small School’s Camp at Kincumber. I’m sure they will have a great time with Mrs Pennycuick and all the other students who are attending the camp for the 3 days. Just a reminder that the students attending the camp will need to be at school at 7.00am on Monday morning. The students should be back by 3.30pm on Wednesday afternoon. If there are any changes to the time the school will let the parents know.

K/1 AND 2/3 VERANDA
On Monday work will commence on the K/1 and 2/3 veranda. The whole verandah is being replaced so the students will not have access to their rooms for the week. The classes have been moved to the library and music room for the week while the work takes place.

SWIM SCHOOL
Notes went home yesterday about Swim School. If you are interested in your child participating in this program please return the notes back to school. We are also looking for parents who are able to assist in the transportation of students to and from the venue. If you are able to help out with transportation please indicate on the note.

KINDY ORIENTATION
Last Thursday saw the start of our 4 week Kindy Orientation program. The children settled into the classroom well and they worked really well with their buddies. We have 2 more children joining our Kindy Orientation program this week.

PARENT ASSEMBLY AND INFORMATION SESSION
The parent assembly will be held on Wednesday 11th November with the P&C holding a hot lunch after it. The parent information session will be held straight after school with comprehension being the focus of the session. Please feel free to stay for the session. A movie will be provided for children in the K/1 room during this time.

GOLF CLINICS
Early last term I applied for a free golf clinic to come out to Cattai Public School. I was informed early in the term that we were successful in our application. This service is normally only offered to schools in other districts so we are very lucky to have this come to our school. The clinic is for Years 3-6 and will take place Tuesday Week 6. A golf professional will also come out to offer the students some tips.
